Ons aanvaar kinders van 2 tot 5 jaar oud, vanaf 6.45vm tot 5.30nm daagliks.

Liefde en respek is die beginsel vir al ons leer, speel, pret en dissipline. Ons onderwyseresse is goed opgevoede dames, almal mammas en almal al langer as 7 jaar by ons skool. Siembamba is vanjaar al 26 jaar oud en 'n sentrale deel van ons omgewing se gemeenskap.

Ons is oop gedurende vakansies en het 'n verskeidenheid buitemuurse aktiwiteite. Gebalanseerde gekookte maaltye word verskaf, en 'n goed ontwikkelde leerplan.

Our aim is to enable each child to have self confidence and self respect, and to be calm and happy. We count it our privilege to assist our parents in every which way we possibly can. You are welcome to discuss any concerns with us that you might have.

Be assured that we are, first and foremost, your child's mother during the day. They receive as much love, hugs and support as possible. Small children need emotional encouragement and love at all times, and this is what we strive to do at our school. Their happiness is our main concern.
