facilitiesAbout UsOur beginnings

We opened our doors in January 2003 with 30 excited little children ranging in age from 2 to 6 years. We now have a school of over 120 children and we cater for children from the age of 2 to Grade 7. The children therefore benefit from staying with us through their early childhood development years and then through the

foundation years of more formal education.What makes us unique?

At King's School, many happy hours are spent in learning and creative activities.

We offer a caring Christian environment.

Small class sizes.

Classes for children from age 2 to Grade 7.

Well-qualified, innovative teachers.

A well-rounded and balanced curriculum.

Secure indoor and outdoor facilities.

Extra-curricula activities.

Early care, aftercare, and holiday care options.

Ideal location for N1 commuters.

Motor development programmes.

Onsite Occupational Therapist and Speech Therapist.ExtrasExtra-Mural activities

We have a wide variety of private extra-mural activities that the children can

choose from. These include Ballet, Pottery, Christian Dance, gymnastics, drama,

kindermusik, soetlief and Click-a-Mouse.Early care, aftercare and holiday care

We offer early care from 7am and aftercare service from after school until 3pm or

5:30pm. These times are less structured as we try to make these experiences as

homely as possible. Aftercare includes a balanced lunch, rest time, some structured

play and lots of free-play.Family Involvement

Creating a family atmosphere is important to us. We have activities during the year

where children and parents can enjoy family time together. These have included

family picnics, games evenings, spring walks and Christmas celebrations.
