Bergvliet, Cape Town
South Africa

Our Services Our times are: 07h00 to 17h30 Monday to Friday We cater to children from ages 12 months to 5 years We offer a half day program until 2pm as well as a full day programme Why choose Wonderland? Our teachers are equipped to enhance the child's total development. We provide an exciting, spacious and pleasant environment in which to learn. We have expansive, shady playgrounds and an extensive jungle gym and sand pit set area. Our teaching is organised around weekly multi-cultural themes and is developmentally appropriate to your child's physical, cognitive, social and language development. Our activities are geared towards developing the skills needed for school readiness. Classes participate in regular outings. A specialist music teacher teaches vital musical concepts to the children once a week (incl. in fees) Ballet classes, speech and drama, Monkeynastics (on the premises) We communicate with parents throughout the year and issue a comprehensive report at year - end. Most importantly, we live by the motto, "children first."

Our aim is to empower the children -to think for themselves; to have a positive self image; to listen, share and take turns; to concentrate, plan and create; to have confidence in their abilities; to treat others as they would like to be treated; to have a balanced positive state of mind; to control their emotions; to acknowledge an inner spirituality; to identify, understand and resolve problems
