The Montessori Beehive Pre-School is a (private) parent run school which was established in 1983 by parents for their children. It is open to all children, aged 18 months to 6 years without regard of race, creed, religion or national origin. The school is registered as a non-profit organisation. Our school employs qualified and experienced staff, and is registered with the Western Cape Education Department. We provide a daily living and learning environment for children where they can grow socially, physically and mentally in a structure based on the Montessori philosophy. A Montessori-based after-school care facility was added in 1991 to provide a caring and stimulating environment for children in the afternoons. Bilingual (English and Afrikaans) In January 2009 our Toddler group opened its doors - a beautiful, peaceful area that caters for 12 toddlers during school terms from 07h30 to 12h15. Our times are: -07h30 to 12h15 Aftercare half day until 14h30 Aftercare full day until 17h30 A parent committee, including the Head Directress (Principal), manages the business affairs of the Beehive Montessori Pre-School.
