Wriggle and Rhyme is a unique music and movement programme developed for children from 6 months to 6 years old. We have locations across Cape Town: Claremont | Fish Hoek | Meadowridge | Melkbosstrand | Rondebosch. Parents / carers attend our baby and toddler programme with their children, up to 3 years old. These classes run at branches across Cape Town. See our website for more info. VISIT OUR WEBSITE HERE. Our pre-schools programme is offered at a growing number of partner schools across Cape Town, for children up to Grade R level. Our intentional, dynamic and stimulating classes follow a different theme each term, and incorporate singing, movement, individual and group instrument work. Come and join our musical adventure ... and let music light up your child's brain! All classes are COVID compliant in a responsible, diligent and gentle way.
